## 'FABULOUS FAUVE LANDSCAPES'

FULL DAY WORKSHOP

ACRYLICS WITH KRISTINE BALLARD

**SUNDAY 15th NOVEMBER 2020 10am - 4pm**

### DO YOU LOVE COLOUR?

Express yourself creatively for a whole day! This workshop is for anyone who loves colour and painting. Focusing on colour skills and expressive art techniques you will be guided by the Fauve movement and their quest for expressing landscapes with emotional colour. Inspired by the master artists such as Paul Gauguin and Wassily Kandinsky you will learn how to create your own vibrant landscape artwork. Discover easy and fun ways to develop your own love of colour.

Each participant will leave the workshop with an artwork on paper, and one 60 x 60cm canvas inspired by Fauvist wild colour.

No skills required, just enthusiasm and a love for colour and self expression.
